Sunshine report: no report

President's report: Mark confirmed that we have enough trail signs for our section of trail. John Herek will help Mark put them out next week. Mark asked if there was anyone interested in placing a Mada order for Plover Spuds on Snow logo clothing or hats. He'll get more information on this for a future meeting. The rest of president's report is listed under Portage County and AWSC report.

Vice Presidents report: There are 45 club members/spouses and 5 commercial members to date. There are 2 renewals in hand. A motion was made and seconded to sponsor Smiley's commercial membership this year. Motion carried. The club has been renewing all memberships on line with the AWSC. The credit card system is running smoothly in order to make payment to the AWSC. Perry has invited a web designer to the January meeting to see what there is to offer our club. Consideration to be given to the ability for club members to pay their dues on line to the Plover Spuds on Snow.

Portage Co Report: The DNR has indicated that club trails will need to be designated by number or letter. This will be worked out by clubs going forward in order to comply.

AWSC Report: There seems to be a lot of confusion regarding trail passes. The AWSC office is receiving numerous calls on this subject. Please note.... The DNR is issuing \$200 fines for anyone caught not having a trail pass. Dealers will be able to have a dealer trail pass for use on multiple sleds if they rent snowmobiles. This was an amendment made.

Old Business The club ride is set for Jan 29, 30 and 31 in Minocqua. Rooms are \$89 for Thursday and \$119 per night for Friday and Saturday night. Please call The Waters to reserve your rooms! Tell them you are with the Plover Spuds on Snow as this is a special rate.

Reminder to everyone about the club Steak Feed (our annual fund raiser) set for April 16. Now is the time to shop for deals to use door prizes... we aim to have a door prize for every paid steak ticket so these donations are greatly appreciated!
